

## Terms and Conditions – National Lottery Open Week Offers

This National Lottery Open Week, we're saying #ThanksToYou with a day of fun activities at the new Greenwich Park Learning Centre.

Every week National Lottery players raise over £30 million for good cause projects, like ours. That's why we're pleased to be taking part in National Lottery Open Week, which celebrates the contribution of National Lottery players in supporting good causes over the past 28 years.

To thank National Lottery players for their support, on **Saturday 15 March** we will be offering a series of **special walking tours**, and **£1 hot drink voucher** for use at any of the cafés or kiosks at Greenwich Park.

Anyone who presents any National Lottery ticket (digital or physical), scratchcard, or Instant Win Game, on these dates will be able to take up this special offer. Please check our full terms and conditions below.

As a recipient of National Lottery funding, The Royal Parks has revealed, restored and protected Greenwich Park's threatened unique 17th-century landscape and enhanced the natural environment, and has also delivered new community facilities, new training and learning opportunities, and a programme of free cultural events.

The National Lottery supports good cause projects in the areas of arts, education, environment, health, heritage, sport and community. Over the past 28 years, National Lottery players have raised more than £46 billion for projects which are making a huge difference to lives of people and communities throughout the whole of the UK.

We are one of many participating National Lottery-funded projects across the UK who are proud to be taking part in National Lottery Open Week, coming together to say #ThanksToYou to the players with special offers.
